

# Architecture Comparisons

## Instructions:

1. Work with your partner to research, compare, and take notes about the different plantations viewed on the **Recommended Websites**.
2. Decide on the plantations that each of you like best, and write one-page **opinion papers** explaining your choices. The opinion papers must include details about the plantations and why they were chosen.
3. Each of you should also include accurately labeled **illustrations** of the plantations chosen.
4. Together, you will share your opinion papers and illustrations with the class.
